A note to our customers,

We realize that you could choose to eat anywhere, but we thank you for dining with us and supporting one of the longest running family owned and operated restaurants in Tennessee. We think of our establishment as a home away from home and our customers as family, a long-standing tradition that is near and dear to us here at the Little Dutch. The dishes we serve are always made from scratch with the highest quality ingredients. Never “pre-packaged”, our entrees are freshly prepared from recipes almost as old as our establishment. Thank you for over 80 years of support Morristown.

Sincerely,
Your Little Dutch Family
